

Community Health Survey

Hello. My name is _____ and this is _____. We are from the *(name of your church)*. We're conducting a brief survey to learn about the health needs in our community:

1. How interested are you in health and wellness topics on a scale of 1-to-5?

1 2 3 4 5 (1=low; 5=high)

2. What are the health concerns you see as most prevalent in your own life or in the community?

3. Which of the following lifestyle diseases are you most interested in learning how to prevent or reverse? (check all that apply)

Stress High Blood Pressure Diabetes Other _____
 Cancer Heart Disease Obesity _____

4. If offered in our area, which of the following health classes or seminars would you or someone you know have an interest in attending? (check all that apply)

Plant-Based Cooking Class Diabetes Prevention & Management
 Heart Health Freedom from Addictions / Building Better Habits
 Weight Loss Exercise Club
 Stress Management Depression Recovery
 Stop-Smoking Class Other _____

5. Is there anyone you know who needs special prayer for their health that we could pray for?

Thank you for taking the time to answer these questions. We have a little gift we would like to leave with you *(give a health tract or magazine)*. And because we believe that not only physical health, but spiritual health is important, we would like to leave you with this tract and an offer for free Bible study guides *(give small Bible tract and Bible study offer card)*.
